

TRANSPORTATION

GROUND TRANSPORTATION

Henry County stands at the crossroads of two major four-lane highways, U.S. Highway 34 and U.S. Highway 218/27 (The Avenue of the Saints). As such, the Midwest's largest markets are all within a day's travel.

- Access to U.S. Hwy 34 allows for convenient travel east to west, whether you're on your way to Des Moines or your destination is the Atlantic Coast.
- U.S. Highway 218/27 links Saint Louis with Saint Paul, MN. The highway also connects to Interstates 80 and 380.
